

Associate Professor Benjamin Cheung

MBBS (Hons), FANZCA, FCICM, MClinEpid, PGDipEcho, PTEexam, ASCexam, RePTE, ReASCE, GChPOM

Senior consultant anaesthetist, intensivist, perioperative medicine specialist, and retrieval physician

Associate Professor Benjamin Cheung holds dual qualifications with fellowships from The Australian and New Zealand College of Anaesthetists (FANZCA with Merit Certificate) and The College of Intensive Care Medicine of Australia and New Zealand (FCICM). He provides a diverse range of consultant clinical services in Toowoomba since 2008, with special expertise in echocardiography, ultrasound, perioperative medicine and paediatrics.

Ben graduated from the University of Queensland in Medicine with Honours in 1996 and was awarded merit certificates for a number of post graduate qualifications. He completed specialty trainings in Queensland and additional paediatric training at the Alberta Children Hospital in Canada.

Appointed with academic title of Associate Professor at both the University of Queensland and Griffith University, he enjoys teaching and research. He also serves as a senior final examiner with ANZCA and also is a reviewer and editor with a number of academic journals.
